

SUUN Meeting Minutes for June 2016

Hi folks,

Here are the few bullets I took from our meeting just now. I deeply appreciate your enthusiasm, persistence, and passion for spreading the word about our faith and the ways it goes beyond the individual congregation.

With gratitude,
Elizabeth

- We are not a “board,” we are a “coordinating council”
- We aren’t going to “sponsor” anymore, but that our money goes to website & communications, “we just pull a few strings to get better attendance.”
- Meet 2nd Saturday in September here and Julie will do agenda and reminder and run the meeting
- We have a rotating facilitator
- Further meetings will be September, January, April, June
- Representatives will be one or two from each congregation
- We need to know who the official representative(s) is from the congregation: who I talk to at the different congregations to understand how they work?
- Need a job description for representatives
- Note to avoid doing congregation-specific business at the SUUN meeting and to focus on SUUN business
