The Yes Team

The San Diego Conscious Music Fest (SDCMF) is a musical celebration of the human spirit living within us all, and actively champions a growing community of diverse singer/songwriters whose music inspires us with authentic messages of love, peace, and unity. In concerts throughout the year and with a city-wide Conscious Music Fest, SDCMF brings to audiences in San Diego the fresh, new voices of hope for a better future for us all.

San Diego Conscious Music
Fest is proudly presented
